A step above...in Quality, Selection, & Designs

Quality

All our products are manufactured from the highest quality materials and undergo meticulous examination to ensure only the best products reach your door. We believe strongly in the quality, integrity, and reliability of our products and offer a lifetime warranty on all Jeffrey Alexander decorative hardware (see page 214).

Selection

Jeffrey Alexander offers 60+ patented and original collections plus a variety of industry standard designs in a wide range of styles and finishes. With extended lengths as well as appliance handles available in many of our collections, there's something for everyone.

Designs

Inspiration comes from the latest styles in interior design to the newest fashion trends on the runway. That inspiration is creatively transformed into beautiful hardware for any kitchen, bath, or home project. Our designs are heavier in weight with solid or flat backs, not hollow backs, adding a touch of luxury while providing a comfortable feel in your hand.

INDUSTRIAL

The pairing of industrial and elegant is one that is not often combined, but that is what Hayworth precisely personifies! The simple yet trendy pull and knob collection offers a clean design while providing a substantial profile through its stepped detail. Hayworth shares the same profile with the Carmen Acrylic collection (see pages 46-47).

Design Idea

Shake things up and strategically mix in matching acrylic knobs and pulls from Carmen with Hayworth to make a fun statement.

COMFORTABLE
