CHARMING

Charming and welcoming, Aiden offers a comfortable grip and ample hand clearance with its flowing arch profile. With its coordinating knob and extended sizes, this collection is a favorable choice for universal design needs.

Design Idea

For mudrooms, closets and bathrooms, pair cabinet knobs and pulls with Elements decorative hooks (see pages 215-226) in the same finish for a cohesive look with added organization.

FUN

Hadly has quickly flourished into a crowd favorite with its fun and lively square silhouette. The clean lines softened curves and strikingly sculpted flared feet of this knob and pull combination blend seamlessly with contemporary or transitional spaces with its variety of lengths and finishes.

Design Idea

Black and gold accents add so much personality to a predominantly white space. Don't be afraid to pair matte black hardware with gold accents to add pizzazz to any kitchen or bath.

SUBTLE

A subtle reflection of a warded lock key, Knox pairs leading lines and intentional curves for a simple yet distinctive look. This closed-ended bar pull series offers a generous 1" hand clearance for an aesthetically pleasing option for aging in place and ADA projects.

Design Idea

When choosing hardware, think about how often the drawers or doors are used, as well as who the user is. Longer pulls and pulls with a larger hand clearance are easier to grab, especially for users with limited hand mobility.
