CLIFF LEDGE SERIES

The Most Authentic Looking Manufactured Stacked Stone.

A modern interpretation of a classic ledge stone look, our Cliff Ledge Series masterfully highlights the deep relief lines and unique texture of stacked stone.

Extraordinary craftsmanship. Simplified.

Affinity's innovative, interlocking system impeccably mirrors the look of authentic masonry.

The Affinity Column Kit

Brilliant beyond expectation.

Does your upcoming project include columns? Introducing the Affinity Column Kit, designed to make installation of our stone siding system around columns a breeze. The kit includes framing, requires no cuts, and features a column cap manufactured to fit perfectly around the post.

Looking good in the neighborhood.

Head-turning and holding strong, Affinity

outperforms traditional architectural stone siding.

Concrete won't shrink, shift, or curl over time. Wind

and rain? Bring it on. Affinity panels are weather-proof

and guaranteed.

Luxury, performance, and simplicity unite.

**Who says old-world skill can't
be improved upon and
perfected?**

Affinity's manufactured stone
siding system accentuates your
space with timeless beauty.
