With the highest quality decking and railing, plus outstanding service,
TimberTech is the go-to choice for contractors and homeowners.

TimberTech is #1 in premium decking

Vintage Collection® in English Walnut®

Unrivaled real wood looks

The most convincing aesthetics with more colors and textures than any other brand

Proprietary technology

Industry-leading tech for a cooler touch
and top-rated fire resistance

Sustainably made

With up to 85% recycled materials,
our decking is more sustainable than wood

Inspired by nature, born from technology

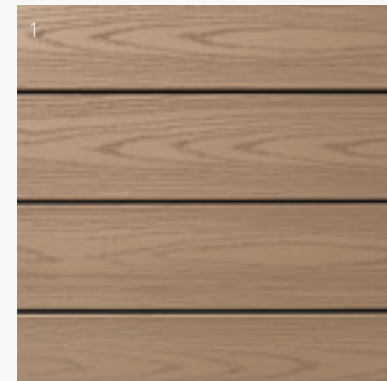

Our proprietary technology creates authentic wood looks you won't find anywhere else.
With more than 30 real wood colors and textures, the possibilities for your outdoor refuge are endless.

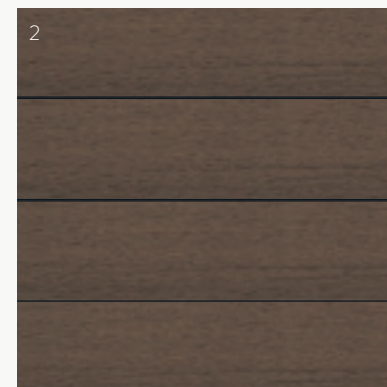

Vintage Collection® in Multiwidth Weathered Teak®

*All printed samples are carefully reproduced to be as close to the actual sample as possible. Actual colors may vary due to printing limitations.

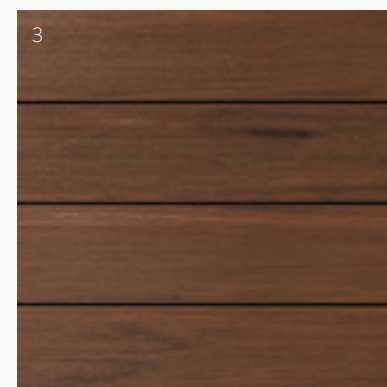

NATURAL COLOR BLENDING

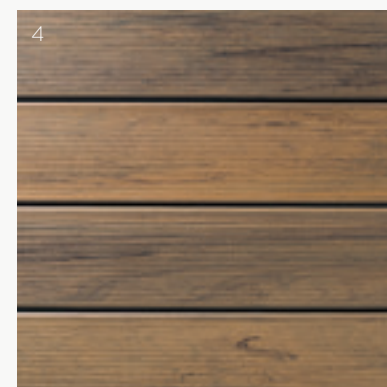

SOLID
Monochromatic color for a stained or painted wood look.

BLENDED
Subtle color variation for a classic wood look.

HIGHLY BLENDED
Varied coloring with highlights and lowlights for a premium hardwood look.

UNIQUE BLENDING
Cascading, multitoneal color blending for a highly varied, reclaimed wood look.

1. Harvest Collection® in Brownstone 2. Terrain+ Collection™ in Dark Oak
3. Vintage Collection® in Mahogany 4. Legacy Collection in Tigerwood
5. Prime+ Collection® in Coconut Husk® 6. Legacy Collection in Tigerwood
7. Landmark Collection® in American Walnut® 8. Vintage Collection® in Weathered Teak® 9. Harvest Collection in Slate Gray

REAL WOOD GRAINS & TEXTURED FINISHES

A linear grain without knots, for a simple, modern wood look.

A textured finish, ideal for unique, artisan-inspired wood looks.

Texture runs perpendicular to the grain for a reclaimed wood look.

A subtle, textured finish often used for premium hardwoods.

Varying peaks for the soft look of quarter-sawn wood.

RICH
WOODLAND
TONES

Create an inviting look with browns ranging from deep woodland tones to golden, amber hues. These browns work for a variety of styles—from traditional to rustic to modern.

Landmark Collection® in French White Oak®

Our goal is to use 1 billion pounds of recycled waste & scrap material annually by the end of 2026

It's part of the way we and The AZEK Company are creating a lasting impact on the world. Each year, we take hundreds of millions of pounds of otherwise landfill- and ocean-bound wood and plastic waste, scrap and trash, like grocery bags, milk jugs, old vinyl siding, PVC pipe and construction waste, and turn it into TimberTech outdoor living products.

MORE SUSTAINABLE THAN WOOD

TimberTech has fewer lifecycle carbon emissions*

500M LBS
of waste diverted
from landfills in 2022

3M+ TREES
saved since 2001 by homeowners
choosing us over wood

1,200+ BINS
Our AZEK Full-Circle Recycling® bins are
located at build sites and across the US,
collecting and repurposing
post-industrial PVC scrap

LEARN MORE

*According to life cycle assessment studies commissioned by The AZEK Company, independently performed by Sphera and ACV Brasil, combined with company estimates assuming 60% recycled material in TimberTech Advanced PVC decking.

EVERYTHING WOOD SHOULD BE®

Enjoy your favorite wood looks without the worry of splinters, fading, and rotting. TimberTech Decking is made sustainably in the USA and features unbeatable performance backed by industry-leading warranties—for peace of mind and a worry-free deck.

Anatomy of a deck

Before you design your dream deck, get familiar with every element.

Vintage Collection® Decking and Dock in Coastline®, Classic Composite Series with Drink Rail

Our most realistic wood looks with unparalleled performance

BEST CHOICE FOR FIRE ZONES

Unlike many wood and composite decking options, our Advanced PVC boards feature a Class A Flame Spread Rating, WUI-Compliance, or both. Class A Flame Spread Rating is the highest available for decking.

SUSTAINABLE: THE GREENEST PVC DECKING ON THE MARKET

Made in the USA from approximately 60% recycled material, including post-construction scrap like vinyl siding and trim, our Advanced PVC decking is the greenest PVC option on the market. Plus, it's fully recyclable at the end of its useful life through our FULL-CIRCLE Recycling® Program.

SUPER DURABLE

Made of high-performance and recycled polymers (and absolutely no wood fibers), it's highly resistant to moisture damage like mold and mildew, and it won't splinter, crack, peel, or rot.

LOW MAINTENANCE

Forget sanding, staining, or sealing your deck. An occasional scrub and rinse are all that's needed.

FADE & STAIN RESISTANT

Enjoy a richly hued, unblemished deck for decades with protective capping that resists UV rays and staining.*

FRIENDLIER TO BARE FEET

Better for bare feet and paws, it stays up to 30° cooler to the touch** and features up to 40% better traction than competitive products.

INDUSTRY-LEADING WARRANTIES

Your investment is protected with a 50-Year Fade & Stain Limited Warranty and Limited Lifetime Product Warranty.

DESIGN VERSATILITY

With Multiwidth Decking and heat-bending capabilities delivering curved boards, our Advanced PVC Decking allows you to create a truly unique design.

Vintage Collection® in Multiwidth Weathered Teak®, Impression Rail Express® with Modern Top Rail

*Depending on environmental conditions, TimberTech Advanced PVC Deck colors may appear to change over time as part of the natural weathering process consistent with the warranty guarantees where applicable. **Although TimberTech Advanced PVC decking is cooler to the touch than many other composite deck boards, all decking products will get hot in the sun. Additionally, the darker the decking color, the hotter it will feel. For hotter climates, consider choosing a lighter color.

TimberTech is the winner in that important crossroads where beauty and design meet function and durability.

Elizabeth & Scott | Naperville, IL
Custom Home Builders & TimberTech Homeowners

ADVANCED PVC

VINTAGE COLLECTION®

Exotic Hardwoods

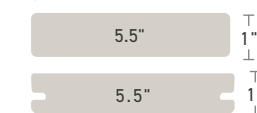

This collection captures the look of sought-after premium hardwoods with a refined wire-brushed finish and multitoneal color blending featuring highlights and lowlights.

- Complex, multitoneal colors to reflect the natural variations in exotic woods
- A low-gloss, wire-brushed finish for an authentic texture while letting the grain and colors shine through
- Best choice for fire zones thanks to Class A Flame Spread Rating & WUI-Compliance
- Multiwidth Decking options including narrow- (3.5"), standard- (5.5"), and wide-width (7.25") boards for design flexibility
- MAX (1.5" thick) boards available in Coastline, ideal for docks, boardwalks, and other commercial applications

LANDMARK COLLECTION®

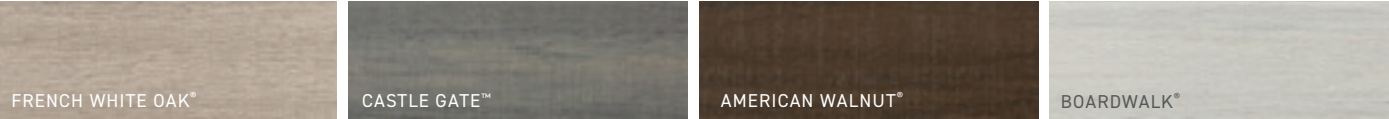

Crosscut Hardwoods

For a look that resembles popular hardwoods like white oak and walnut, choose this crosscut cathedral grain style with a matte finish and cascading color blending.

- Cascading highlights and lowlights create dramatic coloring for unique board-to-board variation
- Crosscut cathedral grain pattern with a matte finish for a soft yet textured look
- Better choice for fire zones thanks to Class A Flame Spread Rating
- Available in standard width and thickness

Landmark Collection® in French White Oak®, Classic Composite Series with Drink Rail

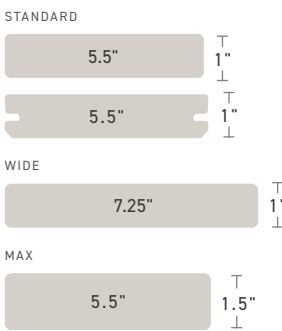

ADVANCED PVC

HARVEST COLLECTION®

Refined Cathedral Grain

Embrace the soft, inviting versatility of attractive cathedral grain—with varying peaks, and soft, solid colors that suit a range of styles.

- Solid, soft coloring for a simple, attractive finish
- Better choice for fire zones thanks to WUI-Compliance
- All colors available in standard width. Brownstone and Slate Gray available in wide-width (7.25")
- MAX (1.5" thick) boards available in Slate Gray, ideal for docks, boardwalks, and other commercial applications

Harvest Collection® in Slate Gray

Note: Kona available in square shoulder only.

MULTIWIDTH DECKING

Customize Your Deck Design

Create a look all your own with Multiwidth Decking options exclusive to TimberTech. With narrow-, standard-, and wide-width options, TimberTech gives you the flexibility to design your deck your way. Slate Gray and Brownstone are available in Standard and Wide widths, while our other colors are available in all widths.

Vintage Collection® in Multiwidth Dark Hickory

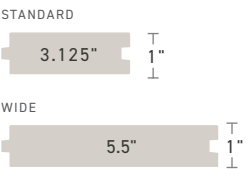

PORCH COLLECTION

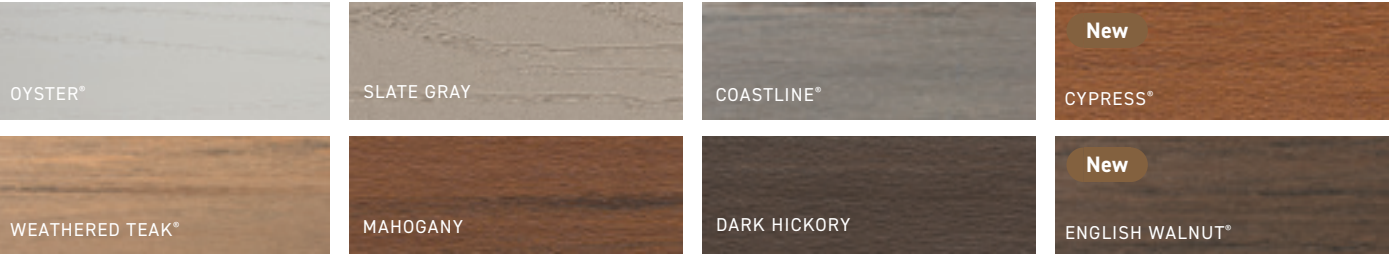

Hardwoods & Stained Wood

Bring all the beauty and performance of TimberTech PVC Decking to the porch. Our innovative tongue-and-groove installation allows for smaller gaps between boards for a traditional porch flooring look.

- Standard width (3.125") available in all colors
- Wide-width (5.5") porch boards available in Coastline, Mahogany, Weathered Teak, and Dark Hickory, English Walnut, and Cypress
- Also available in cladding; see details at [TimberTech.com/cladding](https://www.timbertech.com/cladding)

Porch Collection in English Walnut®, Classic Composite Series with Drink Rail

Composite in a class of its own, with unmatched wood looks

DURABLE

Made of a mix of high-performance and recycled polymers and reclaimed wood fibers, our Composite Decking is made to last and won't split, splinter, or rot.

LOW MAINTENANCE

Forget sanding, staining, or sealing your deck. An occasional scrub and rinse are all that's needed.

FADE & STAIN RESISTANT

Enjoy a richly hued, unblemished deck for decades with protective capping that resists UV rays and staining.*

MOISTURE RESISTANT

With a protective polymer cap with no wood fibers, our boards are protected from moisture damage like mold, mildew, and rot.**

WARRANTY PROTECTION

Rest easy knowing your investment is protected by 30- and 25-year limited warranties that vary by collection.***

SUSTAINABLE

Made in the USA from approximately 85% recycled material including reclaimed and recycled wood, plastic bags and jugs, and other discarded plastics for an eco-friendly choice.

REAL WOOD BEAUTY

TimberTech Composite Decking offers unmatched wood looks, with more than 20 realistic wood styles, colors, and textures.

COMPOSITE

PRIME+ COLLECTION®

Timeless Wood Grain

Choose this collection for a traditional wood aesthetic with natural, inviting colors and a textured straight grain pattern.

- Moderately color blended
- Scalloped profile
- Three-sided capping for excellent moisture resistance
- Available in standard width and thickness
- Covered by 25-Year Limited Product and Fade & Stain Warranties

Prime+ Collection in Dark Cocoa, RadianceRail Express®

The proprietary capping on the Prime+, Prime, and Premier Collections does not feature Mold Guard Technology.

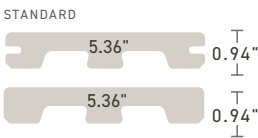

COMPOSITE

PRIME COLLECTION

Painted Wood

For an opaque stained or painted wood look, opt for the Prime Collection, which features earthy, vivid wood stain colors. Featuring the same colors as the Premier Collection, but with a scalloped board for a lighter weight, without compromising a secure underfoot feel.

- A subtle straight grain pattern
- Three-sided capping for excellent moisture resistance
- Available in standard width and thickness, with a scalloped profile
- Covered by 25-Year Limited Product and Fade & Stain Warranties

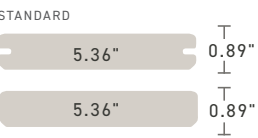

COMPOSITE

PREMIER COLLECTION*

Painted Wood

The Premier Collection features the same opaque stained or painted wood look of the Prime Collection, but with a full-profile board.

- A subtle straight grain pattern
- Premier square profile boards feature WUI-Compliance for a better choice for fire zones
- Three-sided capping for excellent moisture resistance
- Available in standard width and thickness, with a full-profile board
- Covered by 25-Year Limited Product and Fade & Stain Warranties

*Availability of the Premier Collection varies by region. Call 877-275-2935 for more information.

Unlimited railing design options to customize your deck style

DURABLE

Made from high-quality materials including premium composite, extruded PVC, and powder-coated aluminum that won't splinter, crack, or peel.

LOW MAINTENANCE

Never sand, stain, or seal your railing again. Simple cleaning with the appropriate cleaner and brush, plus a quick rinse, are all that's needed.

DIVERSIFIED PORTFOLIO

Our diverse railing portfolio delivers stylish options at every price point, from entry level to premium, to suit every style and budget.

DESIGN VERSATILITY

Create a look all your own with multiple customization options from top rails to infills to colors and more.

BEST WARRANTIES

All railings are protected with a 25-Year Limited Product Warranty and the composite Premium Matte colors also feature industry-leading 25-Year Fade & Stain Limited Warranties.

ECO-FRIENDLY

Made to be strong, safe, and stable, with the composite railing being made from up to 50% recycled material.

Discover your rail style

Deck designs might start with the boards, but railing defines the overall look. Learn the railing lingo and explore style options before customizing your look.

INFILL
Material in between the top and bottom rail

TOP RAIL
Top horizontal piece in between posts that connects to the infill

POST CAP
Finishes the look and can be updated to include lighting

POST SKIRT
Creates a seamless connection between the posts and decking

BOTTOM RAIL
Piece that spans the bottom length of railing and supports the infill

POST SLEEVE
An attractive cover for wood posts to protect them from the elements

SQUARE WEB DECORATIVE

CHIPPENDALE TYPE 1

RISER BOARDS

Available in all TimberTech Composite Decking colors. Use on stairs for a seamless, finished look. Advanced PVC Riser Boards will be available in early 2024.

FASCIA BOARDS

Available in all TimberTech Advanced PVC and Composite Decking colors or White AZEK® Trim Boards. Helps to frame the perimeter of your deck for a polished look.

DRYSpace™ WATER MANAGEMENT SYSTEM

Make better use of the area under your deck with DrySpace, an under-deck water management system for second-story decks that collects and helps channel moisture away from the home. Made of solid extruded vinyl for durability and weather resistance.

TIMBERTECH® DECK CLEANER™

Field-tested and approved specifically for all TimberTech capped decking and railing, as well as trim and moulding. The concentrated biodegradable formula removes seasonal debris like dirt, mold, and pollen, as well as everyday spills and stubborn spots.

Not intended for use on wood or uncapped composite decking

TIMBERTECH® PRO-TAC™ FLASHING & JOIST TAPE

PRO-Tac Flashing and Joist Tape helps extend the life of decking substructures by resisting water penetration and protecting the lumber substructure from rot.

SECURE-MOUNT POST

Allows railing installations without a wood post.

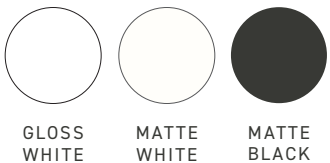

ADA HANDRAIL SYSTEM

Make your perimeters and stairways safer and more accessible with an ADA-compliant handrail. Available in both composite and aluminum.

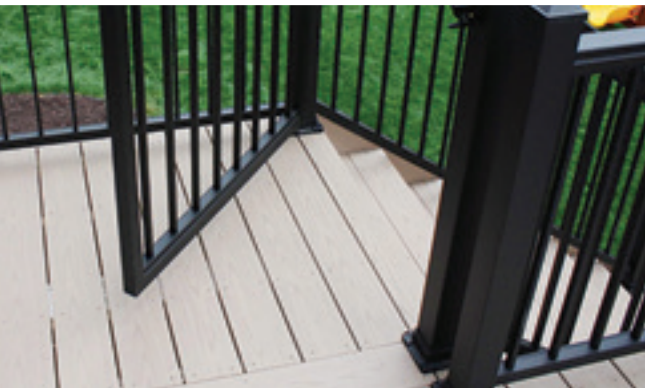

CLASSIC COMPOSITE SERIES GATE KIT

Close off stairs from pets or small children (not appropriate for weight-bearing applications). Available in 36" height only.

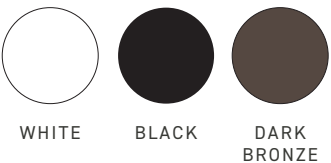

PVC Gate Kit also available; see TimberTech.com

IMPRESSION RAIL EXPRESS® GATE KIT

An aluminum rail gate kit used for 36" or 42" rail heights.

GET THE PERFECT FIT WITH TIMBERTECH FASTENERS

TimberTech Fasteners are uniquely designed to work with TimberTech Decking. For the best possible installation, don't settle for anything less.

HIDDEN FASTENERS FOR GROOVED BOARDS

FUSIONLoc®

Collated system engineered for strength and speed. FUSIONLoc® can be installed pneumatically using the FiveSHOT Gun or manually vide. Clips provide three points of board-to-joist connection and boards in the middle of a deck can be easily removed.

CONCEALoc®

With matte brown clips installed in between grooved boards for a hidden appearance, CONCEALoc® can be installed pneumatically with the FastenMaster TigerClaw Gun or manually using a drill. Designed exclusively for our grooved deck boards.

EDGELoc®

Designed exclusively for TimberTech Prime+, Prime, and Premier grooved boards, EDGELoc's nylon 12-clip collated strips and pre-set stainless steel screws make installation and create a 7/32" gap for a uniform appearance.

For use with Prime+®, Prime, and Premier grooved boards only

COLOR-MATCHED FASTENERS FOR ALL DECK BOARDS

TOPLoc®

Top-down, color-matched decking fasteners that blend in with your deck boards. Available for both TimberTech Advanced PVC and Composite boards.

TOPLoc® FOR ADVANCED PVC

TOPLoc® FOR COMPOSITE DECKING

TOPLoc® FASCIA

Color-matched decking fasteners that blend in with your fascia and riser boards. Available for both TimberTech Advanced PVC and Composite.

TOPLoc® FASCIA FOR COMPOSITE DECKING

TOPLoc® FASCIA FOR ADVANCED PVC

HIDDEN FASTENERS FOR SQUARE SHOULDER BOARDS

CORTEX® FOR ADVANCED PVC

CORTEX® FOR COMPOSITE

CORTEX®

Top-down system with material-matched plugs made of the same decking as the surface boards. The high-quality, ACQ-approved, specialty deck screws have a Torx® ttap® drive system and can be used on stairs and perimeter boards. Collated plugs now available for Composite Decking.

Not for use with Prime+®, Prime, or Terrain collections.

SIDELOC™

Designed exclusively for TimberTech Advanced PVC square-shoulder boards, this system features screws installed at an angle through the side of the board and into the joist for a secure hold. Use the SIDELOC™ guide for consistent 1/8" board spacing.

Not for use with TimberTech Composite Decking

LIGHTING ADDS INSTANT AMBIANCE

Create an inviting glow in your backyard to keep living your outdoor life well after dark. Deck lights help set the mood and improve safety for your outdoor living space. They can even be timed to go on at the moment you need them.

Vintage® Collection in English Walnut and Reserve Collection in Antique Leather, Classic Composite Series with Drink Rail + Lighted Island Cap

INTEGRATED DECK LIGHTING

IN-DECK LIGHT

A subtle touch for deck perimeters. Available in Architectural Bronze.

RISER LIGHT

Used on steps and tiered platforms. Available in White and Architectural Bronze.

IMPRESSION RAIL EXPRESS® RAIL LIGHTING

INDIRECT LIGHT POST CAP

Add a soft glow to your railing posts. Available in Black, White, and Dark Bronze.

PERIMETER LIGHT POST CAP

Brighten your deck space with this post cap light. Available in Black, White, and Dark Bronze.

SMALL ACCENT LIGHT

Small, sleek, surface-mounted light available in Black, White, and Dark Bronze.

3" POST CAP LIGHT

For a more modern look, this slender light installs with any IRX post cap—no color matching needed.

COMPOSITE RAIL LIGHTING

UNDER-RAIL LIGHT

A hidden glow between balusters for composite railing. Available in Architectural Bronze.

ACCENT LIGHT

Available in White, Matte White, and Architectural Bronze. Compatible with composite and PVC posts.

LIGHTED ISLAND CAP

Available for 5.5" composite post sleeves in Gloss White, Matte White, Matte Espresso, and Matte Black.

POST CAP LIGHT

Available for 4", 5", and 5.5" composite post sleeves and caps in White.

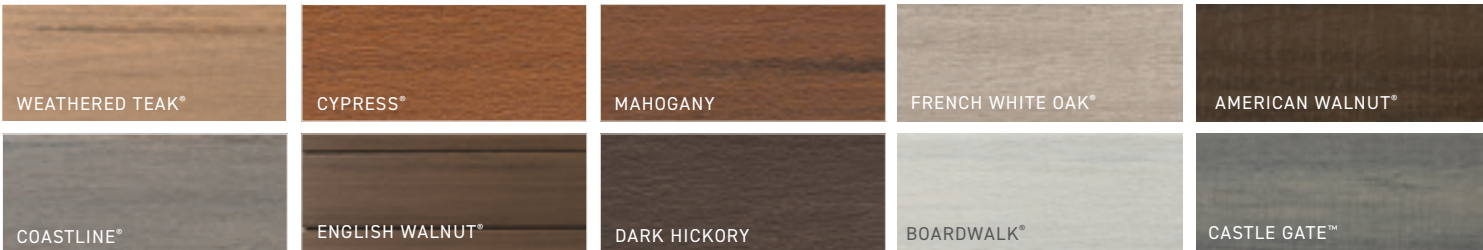

SUPERIOR MATERIALS DELIVER PREMIUM PERFORMANCE

Made of high-performance polymer material, TimberTech Cladding delivers the real wood looks you love without the maintenance. Plus, with colors and textures matching TimberTech deck and porch boards, you can create a unified aesthetic across your home and outdoor living space.

Cladding in English Walnut

TimberTech Cladding is made from the same material as our proprietary TimberTech Advanced PVC Decking. See pg. 18 for the performance benefits.

AZEK® TRIM & MOULDING

Engineered with advanced materials science, our PVC Trim and Moulding delivers exceptional durability and performance, while giving your home a crisp, clean look. And the best part? It’s extremely low maintenance. Choose from white trim or ready-to-paint trim designed with PaintPro® Technology for improved paintability — and absolutely no sanding or priming.

Weathered Teak® Porch + AZEK® White Trim Boards as Fascia and Risers + AZEK White Tapered Column Wraps

AZEK® COLUMN WRAPS

Up your curb appeal with attractive AZEK Column Wraps that come in either straight or tapered designs. Easy to install around existing wood columns, AZEK Column Wraps are a simple way to spruce up your porch and entryway.
