	2050	2650	3050	3650	4050	4650	

Custom-size windows are available in 1/8" (3) increments. Contact your Andersen supplier for more information.

For Springline™ windows, the size designation does not reflect overall window height. (e.g., a 2020 Springline window size has a side height of 1'-11 1/2" and an overall window height of 2'-11 1/4".)

- "Window Dimension" always refers to outside frame-to-frame dimension.
- "Minimum Rough Opening" dimensions may need to be increased to allow for use of building wraps, flashing, sill panning, brackets, fasteners or other items.
- Dimensions in parentheses are in millimeters.
